Most Likely to Succeed

Dana Riles Larry Satterwhite

Kirbyville High School 1986 Honor Graduates

Left to Right: Penny Mock, Dana Riles, Alice Cherry, Jimmy Dodson, Larry Satterwhite, Andy McClain, Gina Hutchinson, Lucretia McCants.

Andy McClain delivers the valedictorian address . . .

While Dana Riles chokes back the tears giving the salutatorian address . . .

The Seniors prepare to line up for the processional . . .

This is the last time Mrs. Bean instructs her seniors as she lines them up for the processional . . .

The expressions vary on the seniors' faces as they listen to the commencement speaker, the Rev. Jerry Neff, speak about love.

Brian Williams accepts the Tom Graham Memorial Scholarship from Principal Bob Corley.

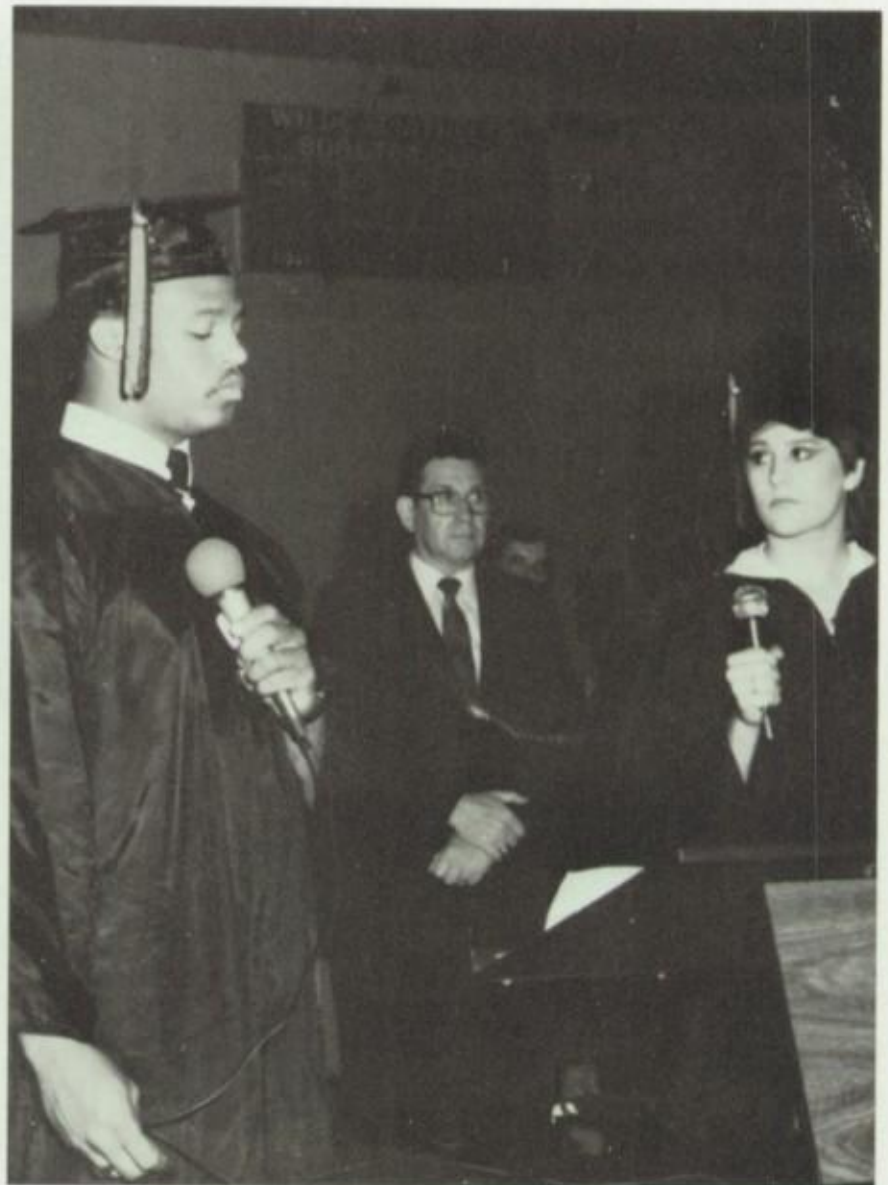

Gina Hutchinson received the Jr.-Sr. High PTA Scholarship and the CCP Scholarship.

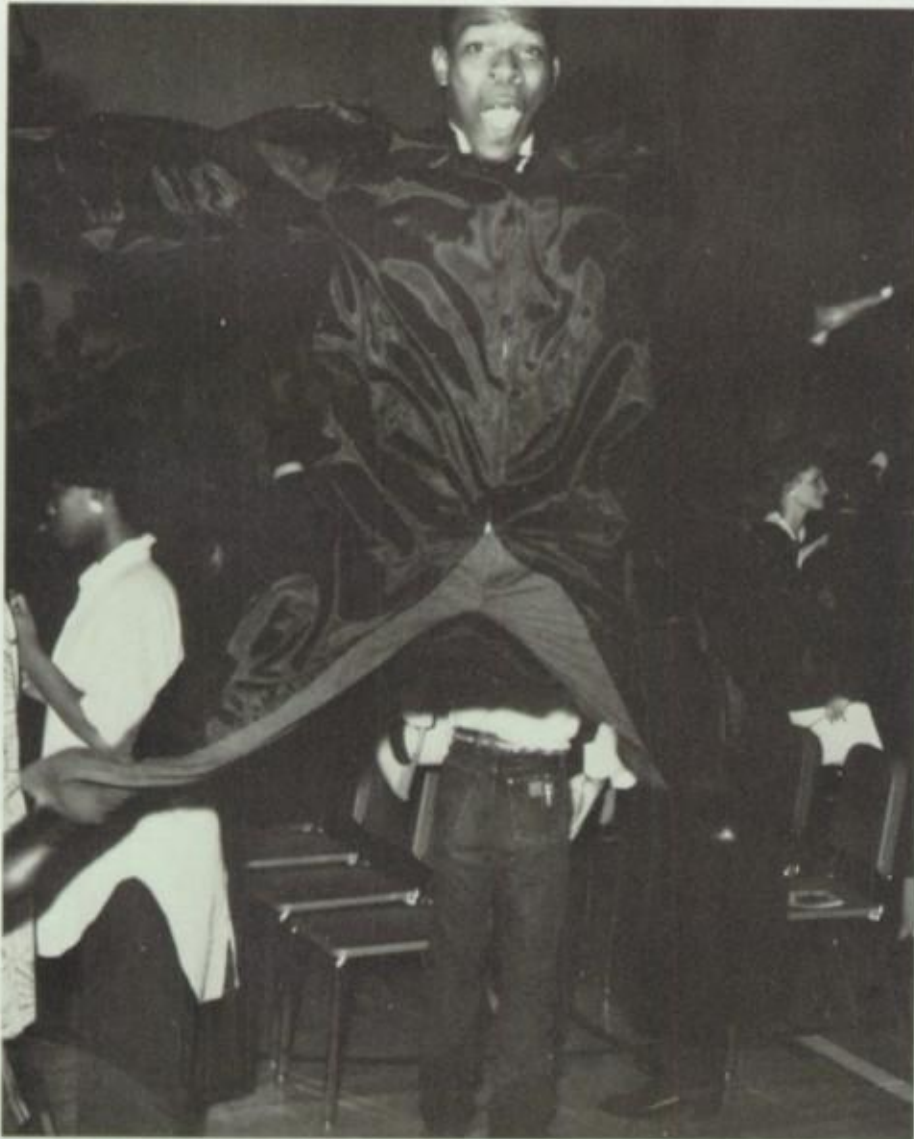

Larry Satterwhite walked away with several scholarships.

Next came the diplomas, this one going to Charna Smith

Lajuan Kyles and Nancy Fussell lead the singing of the class song for the last time.

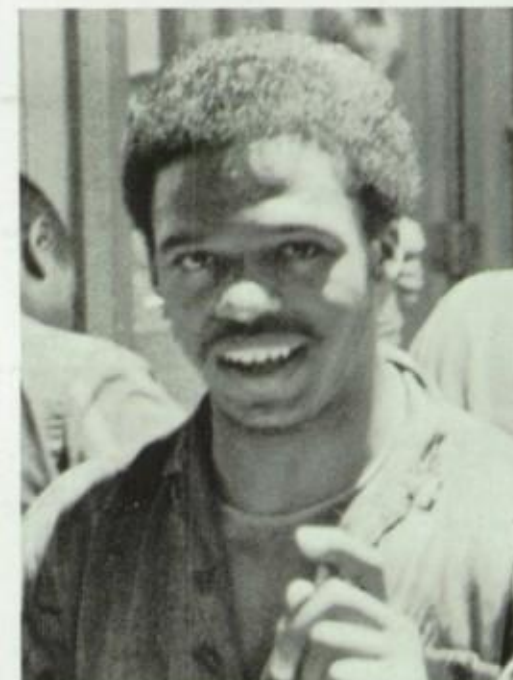

How do you spell Relief? G-R-A-D-U-A-T-I-O-N

The last and best part is the congratulations of family and friends.

Having the Time of Our Lives

Being a senior is fun, but at times it can be hectic. (Like when Mrs. Bean announces an essay.) To relieve some of the tension, seniors could be found doing some crazy things. Some people may say they acted less mature than freshmen, but the truth is *they just know how to have fun.*

An awesome Wildcat varsity team finished an 11-2 season that was ended by nothing but success.

The Kirbyville Wildcats opened the 1985 football season in an impressive fashion by rolling to a 43-0 win over the Hemphill Hornets. The Wildcats amassed 490 total yards on offense while a fine defensive performance stymied the Hornet attack all night.

The Kirbyville Wildcats used an aggressive defense and clutch rushing performances from reserve backs Bryan Kirbow and Darrell Kennebrew to blank the Kountze Lions 16-0 in the 19-AAA opener for both teams. The win left the Wildcats with a 5-1 season record and a perfect 1-0 district mark.

We must not forget the night a new legend began in the community of Kirbyville, when the overpowering Wildcats beat the Newton Eagles 27-8. That's one legend that will be cherished throughout the community. The 1985-86 Wildcats accomplished something they had not done since 1971, win a district football title. They couldn't have done it in a more convincing fashion as they blanked the Warren Warriors 35-0 in Warren.

They faced the Huffman Falcons in Bi-district playoffs in Beaumont. The Wildcats fought back in the second half to push across two touchdowns and one field goal to defeat the Falcons at Babe Zaharias Stadium.

The Wildcats advanced to the area playoffs in Conroe facing the Mexia Blackcats. Kirbyville's defense shut down Mexia's rushing game and their offense provided enough margin to cruise to a 20-12 victory over the Blackcats in 19-AAA area play at Conroe's Moorhead Stadium.

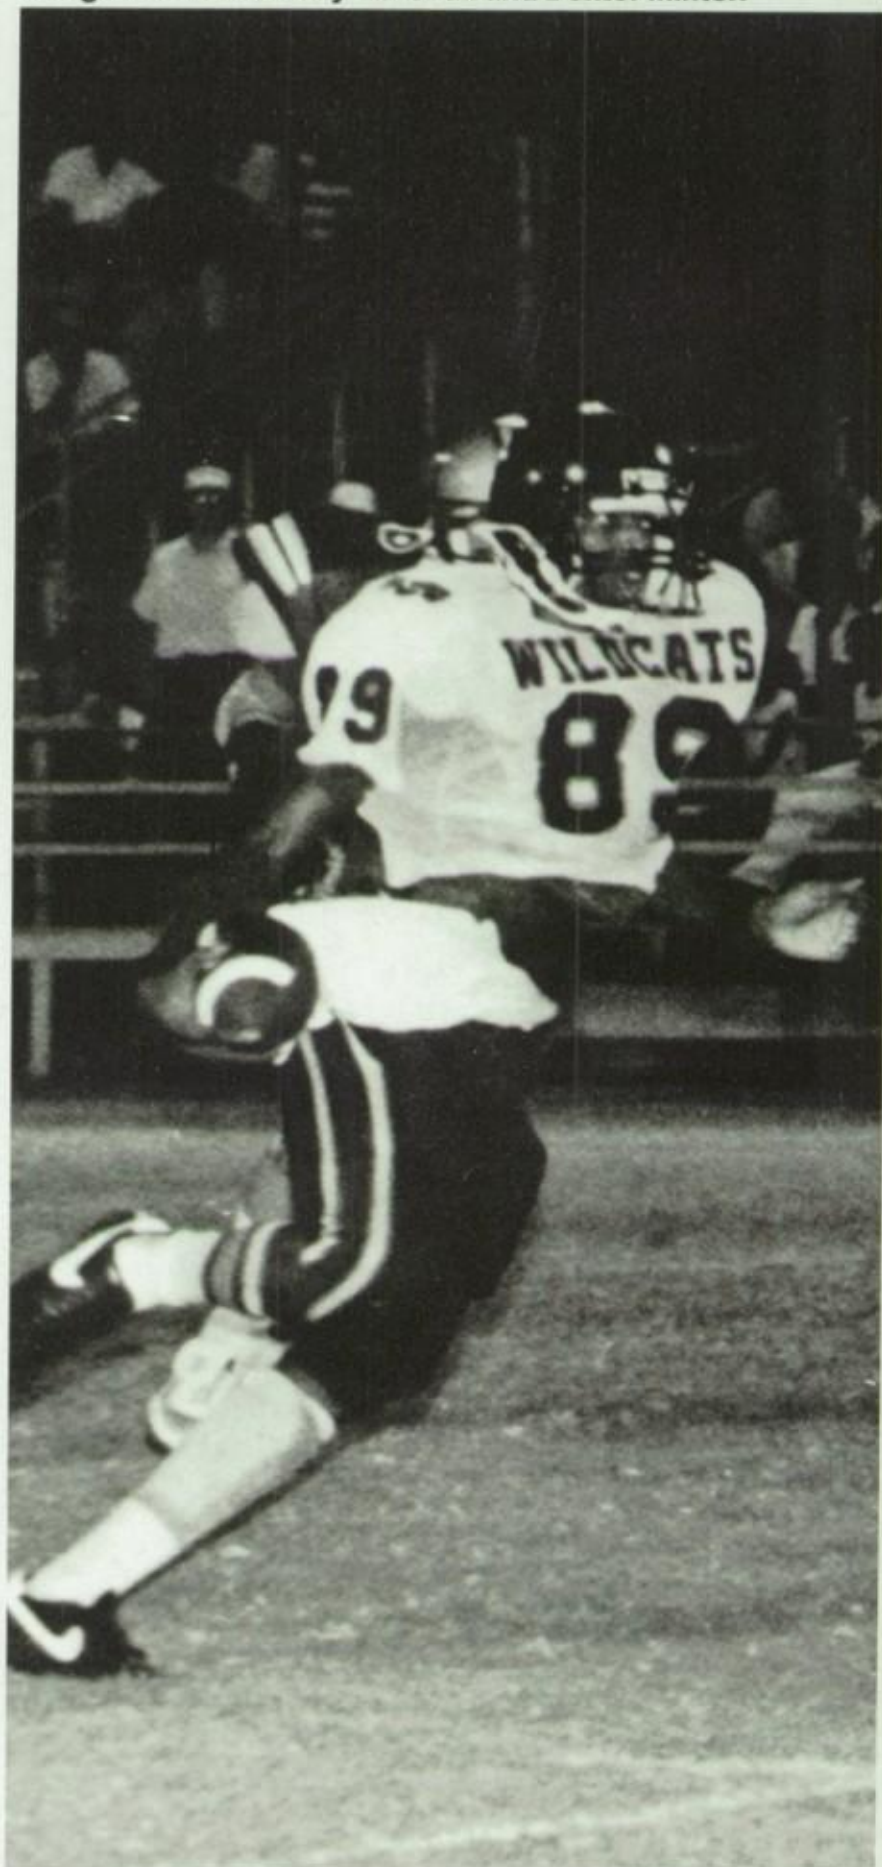

The Cat's 3-A quest continued as they advanced to the regional playoff game against the Cameron Yeomen. The Wildcats bid for a 3-A state crown came to an end as the Cameron Yeomen trounced the Cats 41-7.

The Wildcats who were chosen for first team offense and defense of district 19-AAA were Shon Manchac and Dexter Thomas for offense. The defensive players chosen were Bryan Kirbow, David Rodgers, Darrell Kennebrew, Lajuan Kyles, Kevin Denby, and Steven Sylvester. The second team offense were seniors Allen Bullock and Kevin Denby. The honorable mentions chosen were William Tyler, David Rodgers, Mark Diggles and Shelby Shaw. Coach Grissom was chosen as Coach of the Year.

Although the season may be over for Coach Larry Grissom's team the excitement that they provided to fans throughout the season will be remembered for a long time to come. The character and true sportsmanship that every player displayed both on and off the field each week exemplifies the winners that the Wildcats truly are. The 85-86 Wildcats will be remembered and appreciated for the pride and memories they put back into our community.

Wildcats Win 19-3A Title

After getting off to a late start, the Kirbyville Wildcat Basketball Team rebounded to an 8-2 District record which was good enough for the 19-3A Championship. The Cats were paced by seniors Dee Hughey and LaJuan Kyles. They averaged 15.1 and 13.8 points per game, respectively, and were both named 1st team All-District. Big William Tyler was also a mainstay for the Cats as he hauled in 10 rebounds and scored 11.7 points per game. He was named to the 2nd team All District.

Shon Manchac and Dickie Rawls, both Seniors, and Junior Steven Sylvester were the defensive keys to a strong team effort of giving up only 48.7 points per game during District. Coach Bush cited these three players as "Real hustlers; they did super jobs defensively all year long."

Other Wildcats on the varsity squad were Keith Barnett, Darrell Kennebrew, Earl Wright, and Dwayne Reliford. These 4 players also made big contributions to the Wildcat cause.

After taking the 19-3A crown, the Cats played Anahuac at Beaumont West-Brook, for a Bi-District game. The Cats got behind early and couldn't quite catch up as the Panther's beat the Wildcats 59-53.

On the 85-86 Basketball season Coach Bush said, "I was very proud of this team this year. We showed a lot of character by bouncing back all year long. Because of our late start due to the success of our football team, we struggled in Non-District. When District started, however, we came alive and played some inspired basketball. Again, this was a very good season and one I'll always remember."

Lady Wildcats

This past year the Lady Wildcats finished third in district with a 5-5 record, only one game away from the Play-offs. Their overall record was 15-10. The team consisted of two seniors: Nancy Fussell, LaWanna Wilson, two Juniors: Madeline Smith, Secilia Wilson, two sophomores, Jill Bullock, Krissy Thomas, and one Freshman: Cindy Jones.

Although this past year was successful and we are losing two starters, the 86-87 basketball season looks to be very promising. There will be three starters returning: Madeline Smith, Krissy Thomas, and Secilia Wilson. Also returning will be Jill Bullock and Cindy Jones.

All-District selections were Nancy Fussell, 1st team and Secilia Wilson. Secilia was the only junior to be chosen for 1st team All-District. Madeline Smith was selected for the 2nd team All-District, while LaWanna Wilson was selected Honorable Mention. As you can see, the Lady Wildcats will still be a strong force in district.

The Junior Varsity team went through a rebuilding year, ending the season with a 3-10 record. They were basically an all freshman team, with only three upper classmen. The team consisted of two Juniors: Ramona Barlow, Subrella Burkes; one Sophomore: Annette Venable; and ten freshmen. We are very proud of our J.V. Girls Basketball team. They tried to do and did their best!

K.H.S. TENNIS TEAM

The K.H.S. Tennis Team had another successful season under the direction of Coach Gilbert Aranda. Jon McClain, a freshman, made his first year on the team a good one by teaming with Troy Brooks to reach the quarterfinals in the Woodville Invitational Tournament. John Largent, a Junior, advanced in several tournaments including his third place finish in the Jasper Tournament in singles that included 3A, 4A, and 5A participants. John Largent and Roger Kerr went to the District trophy and advanced to Regionals in Brenham. Roger Kerr is a Junior at K.H.S. The tennis team had no ladies on the team this year, but hopes to recruit some for next season. Congratulations on a fine season and continued success.

KIRBYVILLE WILDCAT TRACK

The Kirbyville Wildcat Track Team had a very successful year. At the District Meet Dewayne Reliford placed first in the 400 meter dash while Butch Levias took first place in the 200 meter dash and the long jump. The Wildcat Relay Team of Alias Collier, Keith Barnett, Dewayne Reliford, Butch Levias, and Keith Minter won first place. Keith Minter's first place in the 100 meter dash helped the Cats to a third place finish at the District Meet. Had the Wildcats had entrants in every event the team could have placed even better. Maybe this will be an incentive for more students to tryout for the track team next year.

The Kirbyville Wildcats had several Regional Qualifiers at the meet. Those advancing to Regionals were Darrell Kennebrew in the 400 meter relay and the long jump, Darrell Hughey also in the 400 meter relay and the long jump, Bruce Scott in the 400 meter relay and the 200 meter dash, Keith Barnett in the 400 meter relay and 200 meter dash. Ricky Fletcher in the 400 meter relay and Lajuan Kyles in the shot put and the discus. Coach Lynn Hogg expects even a better year for the Cats in '87.

Look at us fly!

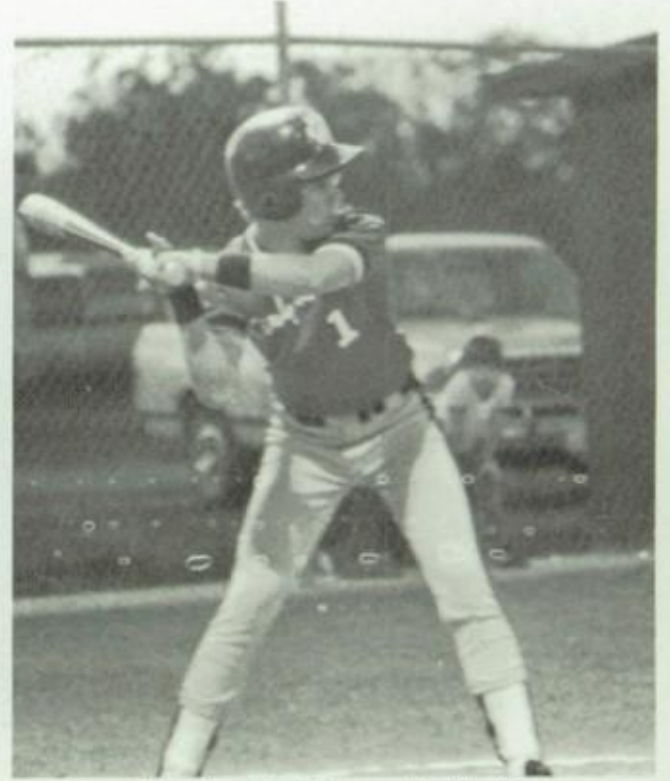

This year in track was the most successful in the history of Kirbyville. The team finished third in district with three individuals going to Regionals. The top two individuals in their event in district advance to Regionals. Cindy Jones is a Freshman high jumping in Regionals. Annette Venable is a Sophomore running the hurdles in Regionals. Secilia Wilson is a Junior who will be long jumping and running the 100 meter dash in Regionals. There were no seniors on this year's track team so we should do better this next year. Go Lady Cats!

The 1986 Wildcat Baseball Season

As Roy May, the KTXJ sports announcer said, "Chris McKinley and the Fighting Wildcats had a great year." They did. The Wildcats finished the season with a 20-10 record and were the Area Champs. With only sixteen teams left in the State AAA Baseball Playoffs the Wildcats fell short after losing to Sealy 4-2. The pitchers for the Cats were Shon Manchac (8-6), Shelby Shaw (7-2), and John Tatum (5-1). Shon with a record of 8-6 had a good year pitching. He pitched in over half the games and picked up several saves. I'm really going to miss Shon next year. Shon also played shortstop and second base when he wasn't pitching. Shelby is the young fireballer for the Cats. He ended the season with a 7-2 record. Shelby and John will be carrying the load next year on the mound. Shelby also played shortstop and third base. He had a great year fielding, hitting, and pitching. John was 5-1 after coming off a fractured ankle. He will be back next year pitching and playing shortstop. John was also the leading hitter on the team with a .429 batting average.

Allen Bullock is the catcher for the Wildcats. He is a Senior and will be missed. Allen was a clutch hitter. He would get the base hit when we needed it most. Jarrod Williams played first base and did an excellent job all year. Jarrod ended the regular season with a .293 batting average but rose to the occasion in the playoffs hitting the ball.

Nathan Anderson played shortstop on the J.V. team before being moved up to play second base for Coach McKinley. Nathan is one of the best fielding second basemen Kirbyville has had in a while. He will also be a great asset next year.

The three outfielders were Kevin Denby, Mark Morgan, and Edward Clakley. Kevin, a senior, covered most of the outfield playing Centerfield. He will be playing College ball for someone. He's got a great arm, is fast, and can knock the cover off the ball. If someone could be held back to play another year, it would be Kevin. Mark Morgan, the leftfielder and lead off hitter, will be back next year along with Edward Clakley. Mark had a super year hitting in the first position. His on base percentage was over 50%.

Thad Manchac, Jamie Reliford and Tom McAdams are three young players who will probably be starting for the Wildcats next year.

Over all, it was a great year for the Wildcat baseball team. We didn't make it all the way but our time is coming.

Mr. Todd and Band Members,

I would like to thank you for making my year as drum major an enjoyable one. This year you were faced with many obstacles such as an earlier contest and fewer band members. Because of these obstacles you have had to work harder than you ever have before. Your hard work paid off because now you have set a new tradition at K.H.S. by being a great marching band. In the years to come, set your goals high and keep striving for a first division. Band, thank you for teaching me leadership, patience and pride. Thank you for caring about me and the band. I love all of you.

Varsity Cheerleaders

As a senior co-head cheerleader, I would like to say that the 1985-86 Varsity Cheerleaders are the *greatest!* In the past, cheerleaders haven't been given the credit that they *deserve* and we feel that maybe our squad has helped change a few things. We've worked really hard to uphold the title and the duties of being a winning squad by working *together* and not as individuals. Thanks to Mrs. Adams, the importance of this has been driven in our heads! Without her, we would have never made it. (Thanks for everything Mrs. Adams!) This season has been a lot of fun, a lot of hard work, and full of memories. What a better way to graduate than as being 19-AAA Area Champs! That's something I'll never forget. Also, I'll always remember beating the Newton Eagles!! A new legend *truly* began! In closing, I want to wish the future F.H.S. Varsity Cheerleaders the best of luck. May you have as much fun and as many wonderful memories as I have had, and to the 1985-86 Varsity Cheerleaders I want to say "Keep that spirit up!"

Spanish Club

The 85-86 school year was a very good year for the Spanish Club. We were successful in picking up 2nd place in the Homecoming Parade with a prize of \$75.00. Our float depicted an old Crosby-Hope Road Movie, On the Road to Rio, with Brian Williams and Everett Holley impersonating and Robin Hogan did an outstanding job as Carmen Miranda. Stacy Lane, our sponsor's daughter, and Paulina Jones threw candy along the parade route. We held a Christmas party at Gretchen Scoggins' home and our annual Spring Banquet is to be held at the Community House. We miss our Spanish Club duchess Michelle Villanueva and our secretary Caralee McDonald who moved at semester break.

Veteran's Day

The 19th annual Veteran's Day Program was attended by 68 veterans of four branches of the armed forces. Representative Jerry Clark reminded us that country's peace, freedom, and prosperity are the result of veterans' service to their country. Music was provided by the KHS Band under the direction of Mr. Ronnie Todd. The sixth grade choir, under the direction of Miss Jody Bailey, sang a medley of patriotic songs. The invocation and benediction were given by John Largent and Dana Riles.

World War I veteran, Prue Benson, 89, sang "God Bless America". He was an inspiration to us all.

“We’ve Got Tonight”

The 1986 Junior-Senior Prom turned out to be a great success at the Rayburn Yacht Club in Jasper. It was the perfect setting for the prom. Everyone was dressed like ladies and gentlemen from the Victorian Age. There were dresses of every color, size, and shape imaginable, and no two were alike.

The evening started with casual talking and an abundance of compliments in the air. Then everyone sat down at their tables to enjoy their meals and the reading of the wills and prophecies. Afterwards, while the tables were being removed, the couples lined up to pose in the gazebo for their pictures. Meanwhile, the dance floor was getting bigger and much hotter! Before long, everyone was on the dance floor moving their feet to the latest beat. Everything slowed down just long enough to announce the tie of Marty Bailey and Sheila Ford for prom queen and Larry Satterwhite for prom king. The rest of the night was filled with dancing and laughter until about 11:30.

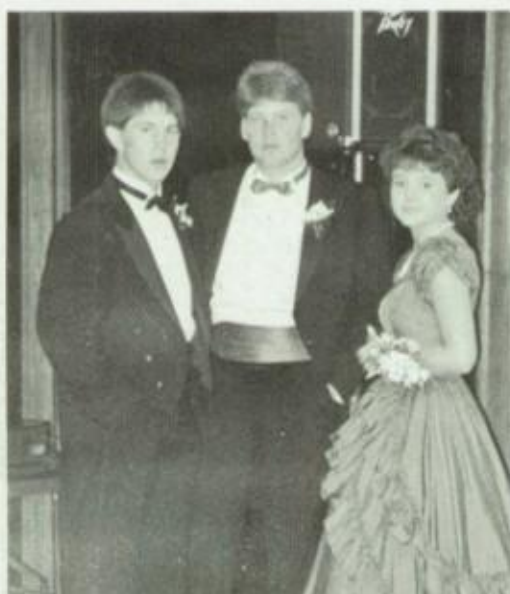

Everyone had a good time. It was even said by Mr. Corley that everything went well enough to have a “high-class” prom at the Yacht Club again next year if desired.

HAIR

THE HAIR WITH STYLE

First, you start with good hair if you care.

Then it would be smart to cut your hair short.

Next, you use a brush to brush it down flat where it is at.

Next, you brush the front, back, and sides so that even flies will slide.

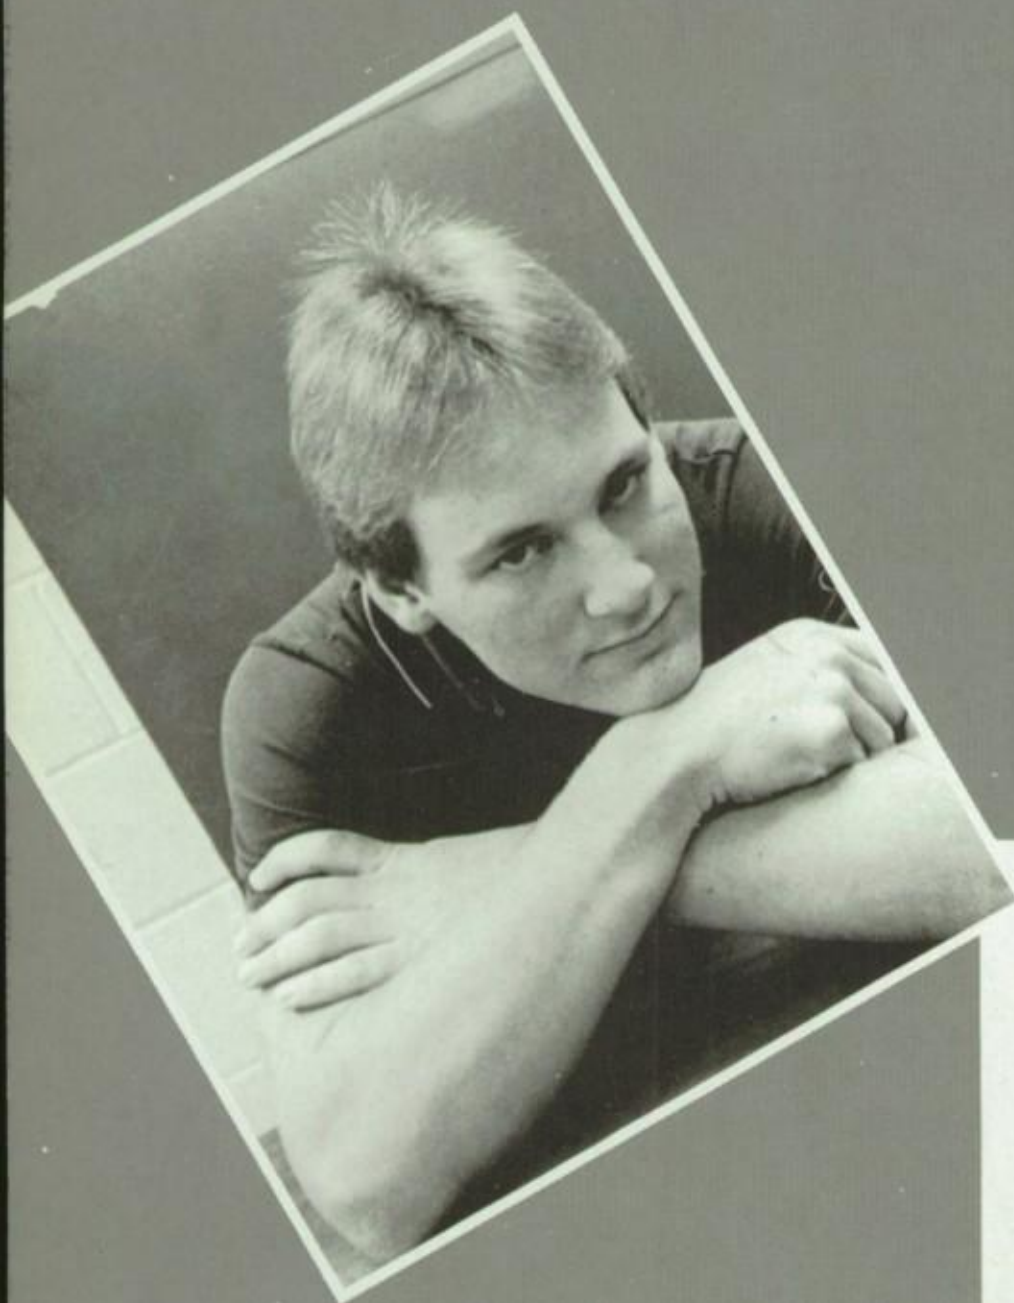

After that you use hair wax to slick it down so it shines like a crown.

Then when your waves form, you have the "livest" hair style you ever had; aren't you glad?

Make no mistakes for goodness sakes.

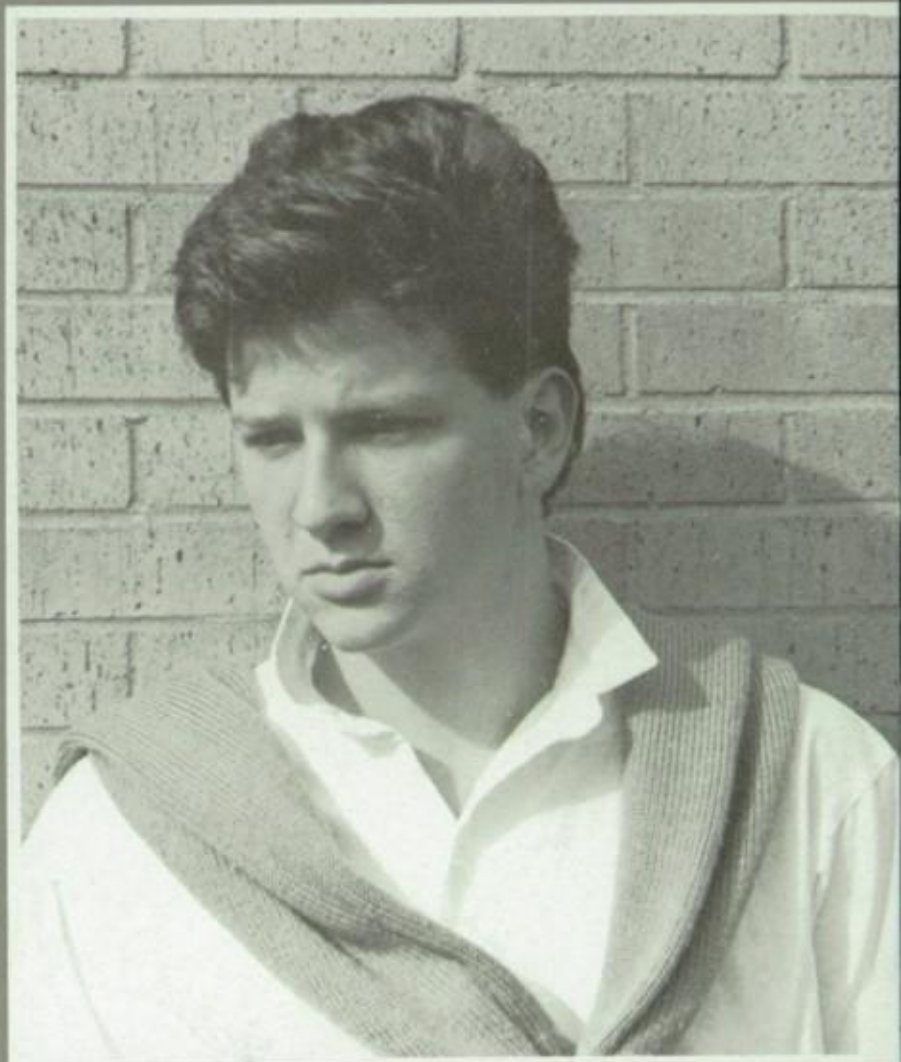

Be very brave with your bucking wave.

By Dickie Rawls

Shelby Shaw likes girls with long hair that looks good all the time. He likes his to look good all the time too. Getting up at 6 to wash and blow dry it each morning has become a habit to him.

Since he likes to try out new styles Jarrod Williams uses sculpturing styles to give his hair the natural look. "Some people think it's neat, but others don't care for it," "he says.

Girls just don't realize what us guys go through to look good.

Hair tells a lot about a person. The first thing I look at when I see someone is their hair. If someone's hair is dirty and grungy, that may be the exact way they act. If your hair is nice and neat it shows that you have respect for yourself to take time to make yourself look better.

Patricia Samuel doesn't feel dressed unless her hair is fixed.

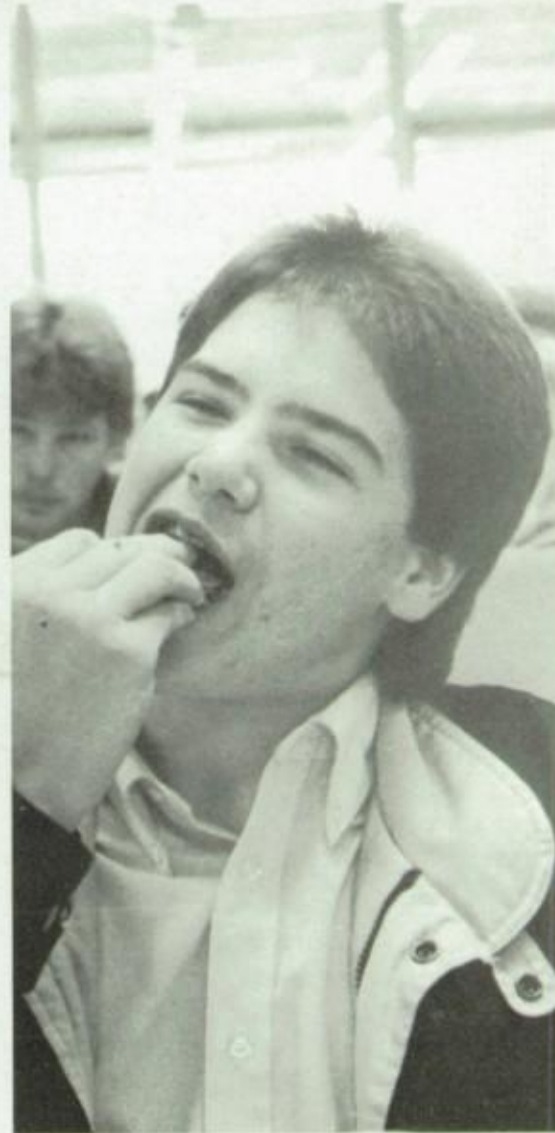

Shel says hair is important. "Fortunately I don't have to spend much time on mine," he says. Shel thinks girls with clean hair are especially good looking.

Lunch at K.H.S.

Lunch at Kirbyville High School is one of the few classes that most of the students are willing to attend. Some say "This food is terrible." But others couldn't go a day without some french fries or a piece of fish. Paul M. eats like someone is going to steal it if he doesn't eat it first, of course anyone who tries to steal food may get a big surprise, like a knife or a gun pulled on them. Some people, like Eric F. obviously prefer aluminum Coke cans over the taste of the food served here, which doesn't say much for his taste buds. Here at K.H.S. there is something to satisfy everyone at lunch.

Mmmmm! Is it good Lisa?!

LUNCH!!!

Forget about it Mark! The whole thing won't fit!

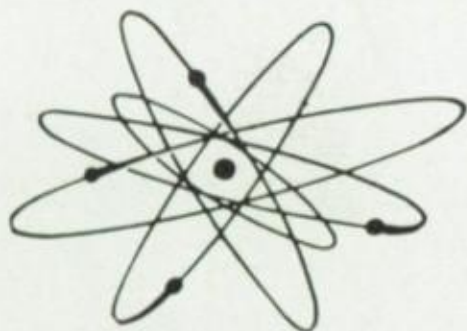

Dat's da way ya do it!!

Warning: Surgeon General has determined that eating aluminum cans may be hazardous to your health.

Science Club

The recently formed Science Club is open to all students who are taking a science course. We have raised funds through our candy and doughnut sales. These funds go to pay for trips and science fairs in various places. Some of our trips were to Lamar and Sam Houston State University for a Science Symposium; another one of our trips was to NASA.

Our Science Club officers are Jimmy Dodson — President, Andy Jackson — Vice President, Gretchen Scoggins — Secretary, Dorvil Kerr — Treasurer, David Barefield — Reporter, Larry Satterwhite — Physics Representative, and Paulina Jones — Chemistry Representative.

Through the Science Club we are able to learn more about science and our fellow man.

IN MEMORY OF

KENNETH L. NEVILL

ROBERT F. DUCKWORTH

THE LORD IS MY SHEPHERD

The Lord is my shepherd; I shall not want.

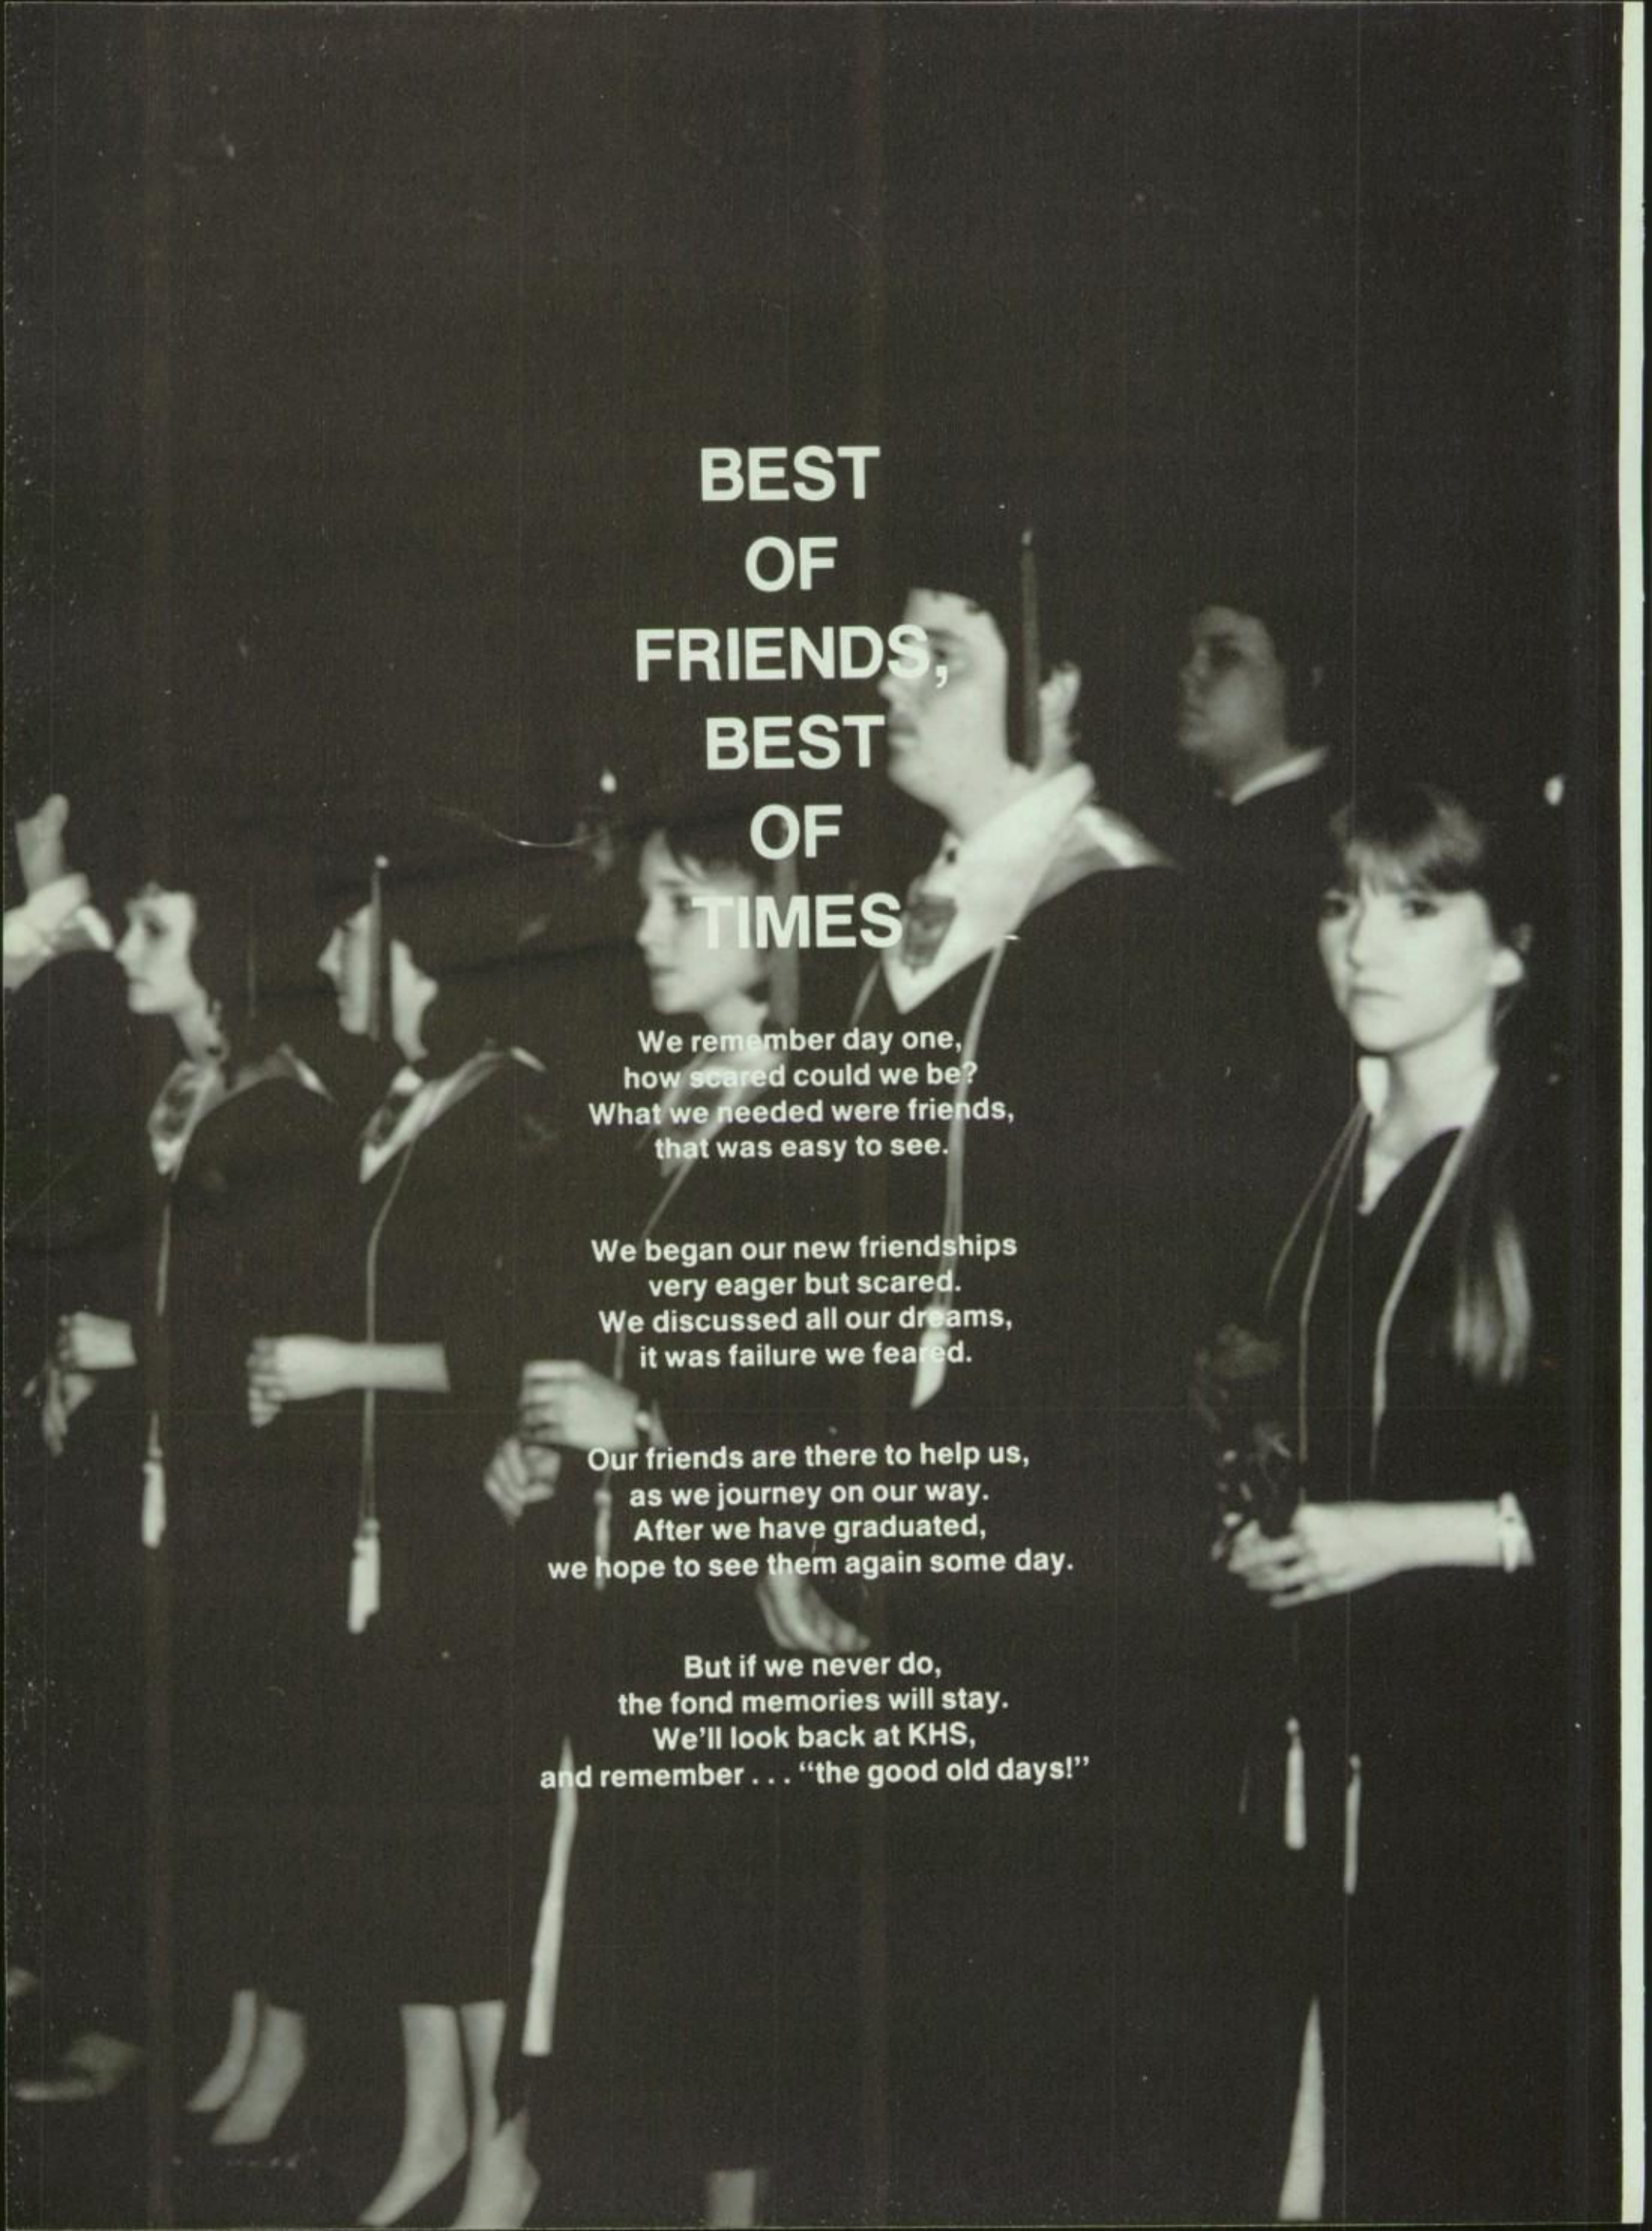

He maketh me to lie down in green pastures; he leadeth me beside the still waters.

He restoreth my soul; he leadeth me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear no evil; for thou art with me; thy rod and thy staff they comfort me.

Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over.

Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the LORD for ever.

BEST OF FRIENDS, BEST OF TIMES

We remember day one,
how scared could we be?
What we needed were friends,
that was easy to see.

We began our new friendships
very eager but scared.
We discussed all our dreams,
it was failure we feared.

Our friends are there to help us,
as we journey on our way.
After we have graduated,
we hope to see them again some day.

But if we never do,
the fond memories will stay.
We'll look back at KHS,
and remember . . . "the good old days!"
